## GUIDE TO LOCAL WALKS

(Please note that maps are not to scale!)

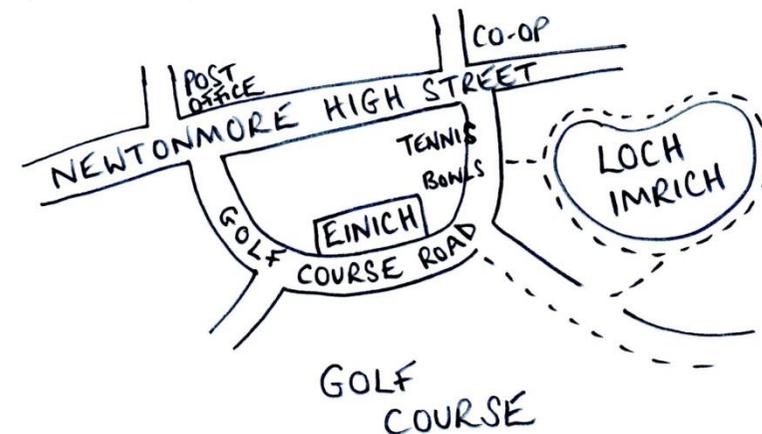

### LOCH IMRICH

(Short, approx. 20 minutes)

*A good place for feeding ducks and spotting wild cats!*

From the house, turn left down Golf Course Road, following it round the bend, past the bowling green. On the right hand side, you will find a sign and gate leading down to the path that takes you around the little loch.

## RIVER SPEY VIA WILD CAT TRAIL

(Medium, approx. 1 hour with option to extend)

*The whole Wild Cat Trail does a complete circuit around Newtonmore and a leaflet is available from the Wild Cat Centre along Newtonmore High Street. The walk below covers a small section and starts at the house.*

From the house, turn left down Golf Course Road until you reach Newtonmore High Street. Turn right and continue until you reach the second road on the right hand side where you will find a signpost for the Wild Cat Trail. This will take you down to, and along, the River Spey. At the end of the Golf

Course, you can make a decision to either continue on, along the Wild Cat Trail by the river, or take the path across the field to the train station, crossing the railway, heading up Station Road, then turning left along Golf Course Road which will lead you back past the Golf Club House to Einich (and a well-earned cup of tea!).

## GLEN BANCHOR

(Medium or Long)

*A great way to enjoy the majestic mountains and watch stags rutting in the Autumn.*

From Einich, turn right along Golf Course Road until you reach the High Street, crossing over and taking Glen Road, just by the Post Office. Continue uphill along Glen Road for a mile or so and you will come to the start of the Glen and eventually to a parking area at the end of the Road. There are endless options to explore, but the main path is found by crossing the bridge over the river and continuing along the into the Glen. From here, the walk can be as short or as long as you wish...
